Aspiring Business Analyst & Product Professional

📍 Grimsby, North East Lincs | 📞 07407271724 | ✉️ laurenelliscordy@gmail.com | 🌐 <https://laurencordy.netlify.app>

PROFILE

Aspiring Business Analyst & Product Professional with a background in business support, project coordination and stakeholder engagement. Experienced in managing competing priorities, improving processes and collaborating with stakeholders to deliver successful outcomes. Supported by industry-recognised training in Agile, Scrum, Jira and Business Analysis, with a strong interest in delivering user-focused solutions and continuous improvement.

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- Professional Scrum Product Owner I (PSPO I) – Scrum.org, 2026
- BCS Foundation Certificate in Business Analysis (currently studying)
- Get the Most Out of Jira – Atlassian Learning, 2026
- Code First Girls Data Science Pathway – Code First Girls, 2024
- Level 2 Information, Advice and Guidance (IAG), 2022

EMPLOYMENT HISTORY

Sales & Admin Coordinator

June 2025 – Present

takepayments (Part of Global Payments) | Remote

Processed merchant contracts and retention documentation, ensuring accuracy and compliance with procedures. Analysed data to identify trends and support process improvements while investigating and resolving queries in line with KPIs and SLAs. Collaborated with cross-functional teams to support business operations.

Employability & Professional Development Officer

Dec 2021 – June 2025

Franklin Sixth Form College | Grimsby

Coordinated employability projects and events, collaborating with internal and external stakeholders to deliver successful outcomes. Designed digital learning content using Articulate Rise, analysed engagement data to improve initiatives, and supported programme delivery through Google Classroom and an internally developed learning management system. Managed budgets, documentation and administrative processes to support operational efficiency.

Maintenance Administrator

May 2019 – September 2021

Haven Holidays | Cleethorpes

Coordinated maintenance administration, managing work schedules, documentation and records to support efficient operations. Worked closely with engineers, contractors and suppliers, resolving queries and ensuring planned maintenance and safety inspections were completed on time.
